

§ 1952.9 Variances affecting multi-state employers.

(a) Where a State standard is identical to a Federal standard addressed to the same hazard, an employer or group of employers seeking a temporary or permanent variance from such standard, or portion thereof, to be applicable to employment or places of employment in more than one State, including at least one State with an approved plan, may elect to apply to the Assistant Secretary for such variance under the provisions of 29 CFR part 1905, as amended.

(b) Actions taken by the Assistant Secretary with respect to such application for a variance, such as interim orders, with respect thereto, the granting, denying, or issuing any modification or extension thereof, will be deemed prospectively an authoritative interpretation of the employer or employers' compliance obligations with regard to the State standard, or portion thereof, identical to the Federal standard, or portion thereof, affected by the action in the employment or places of employment covered by the application.

(c) Nothing herein shall affect the option of an employer or employers seeking a temporary or permanent variance with applicability to employment or places of employment in more than one State to apply for such variance either to the Assistant Secretary or the individual State agencies involved. However, the filing with, as well as granting, denial, modification, or revocation of a variance request or interim order by, either authority (Federal or State) shall preclude any further substantive consideration of such application on the same material facts for the same employment or place of employment by the other authority.

(d) Nothing herein shall affect either Federal or State authority and obligations to cite for noncompliance with standards in employment or places of employment where no interim order, variance, or modification or extension thereof, granted under State or Federal law applies, or to cite for noncompliance with such Federal or State variance action.

§ 1952.10 Requirements for approval of State posters.

(a)(1) In order to inform employees of their protections and obligations under applicable State law, of the issues not covered by State law, and of the continuing availability of Federal monitoring under section 18(f) of the Act, States with approved plans shall develop and require employers to post a State poster meeting the requirements set out in paragraph (a)(5) of this section.

(2) Such poster shall be substituted for the Federal poster under section 8(c)(1) of the Act and §1903.2 of this chapter where the State attains operational status for the enforcement of State standards as defined in §1954.3(b) of this chapter.

(3) Where a State has distributed its poster and has enabling legislation as defined in §1954.3(b)(1) of this chapter but becomes nonoperational under the provisions of §1954.3(f)(1) of this chapter because of failure to be at least as effective as the Federal program, the approved State poster may, at the discretion of the Assistant Secretary, continue to be substituted for the Federal poster in accordance with paragraph (a)(2) of this section.

(4) A State may, for good cause shown, request, under 29 CFR part 1953, approval of an alternative to a State poster for informing employees of their protections and obligations under the State plans, provided such alternative is consistent with the Act, 29 CFR 1902.4(c)(2)(iv) and applicable State law. In order to qualify as a substitute for the Federal poster under this paragraph, such alternative must be shown to be at least as effective as the Federal poster requirements in informing employees of their protections and obligations and address the items listed in paragraph (a)(5) of this section.

(5) In developing the poster, the State shall address but not be limited to the following items:

(i) Responsibilities of the State, employers and employees;

(ii) The right of employees or their representatives to request workplace inspections;

(iii) The right of employees making such requests to remain anonymous;
